(ES)

- El producto debe colocarse en un suelo horizontal.
- No se debe permitir que los niños pequeños jueguen sin supervisión cerca de la minicuna.
- La minicuna debe estar bloqueada en la posición fija cuando el niño se deja desatendido.
- Todos los accesorios de ensamblaje siempre deben estar apretados adecuadamente y se debe tener cuidado de que no hayan tornillos sueltos, porque un niño podría atrapar partes del cuerpo o la ropa (por ejemplo, cuerdas, collares, cintas para muñecos para bebés, etc.) lo que supondría un riesgo de estrangulamiento.
- Tener en cuenta el riesgo de quemaduras al tener cerca de la minicuna cigarrillos, fuegos abiertos y otras fuentes de calor intenso, como estufas eléctricas, estufa de gas, etc.
- Limpiar la minicuna con un paño suave sin productos corrosivos.
- No utilizar la minicuna si cualquiera de sus componentes falta, esta dañada o está rota. Pongase en contacto con MICUNA SLU para obtener piezas de repuesto y documentos de instrucciones si es necesario. NO sustituya partes.

## ADVERTENCIA

- Utilice únicamente el colchón incluido en la minicuna, para evitar riesgo de asfixia, no añada un segundo colchón.
