IMPORTANT: KEEP THIS INFORMATION FOR FUTURE REFERENCE.

Fabli is an electronic device designed for children.
Please read these instructions carefully before use.

WARNINGS

RECOMMENDED AGE

For use from 0 to 10 years old. Adult supervision is mandatory for children under 3, and recommended for children aged 3 to 5. USB cable: risk of strangulation. Do not let children play with the cable.

BUILT-IN LITHIUM-ION BATTERY

Do not pierce, disassemble, or expose to fire. Stop using the device immediately if the battery leaks, swells, or overheats. Replacement must be done by the manufacturer or an authorized center only.

TEMPERATURE AND ENVIRONMENT

Use the device only between 10°C and 35°C. Do not expose the device to excessive heat, fire, or open flame. Avoid any contact with moisture, water, sand, dust, or any liquid, abrasive, or corrosive substance.

SHOCKS AND DROPS

This device is an electronic toy and must be handled with care: avoid any fall, impact, or strong shock as this may damage the casing, buttons, or internal components. Do not use the device if there are cracks, an open casing, or damaged buttons.

WIRELESS USE (WI-FI / BLUETOOTH)

Do not use near implanted medical devices (e.g., pacemakers). Keep a distance of at least 20 cm from the body if used in extended connectivity mode (Wi-Fi / Bluetooth activated).

DISASSEMBLY IS PROHIBITED

Any unauthorized modification or repair voids the warranty and may present a risk, except with Fabli support authorization and supervision.

HEARING SAFETY

The device's sound level respects toy safety standards. However, avoid prolonged exposure to maximum volume.

FLASHING LIGHTS

In rare cases, exposure to lights or flashing patterns may trigger epileptic seizures. Stop using the device if your child feels any discomfort.

USAGE AND CARE INSTRUCTIONS

(Refer to the user manual)

Charge the device using a USB-C cable and a certified CE/UL/CSA adapter with 5V/1A minimum – 5V/2A maximum (not included).

Do not charge the device while it is in use.

Do not leave the device charging unattended.

Unplug the device once charging is complete.

Turn off the device when not in use.

Clean the device only with a soft, dry cloth. Do not use solvents, chemicals, or abrasives.

Do not immerse or expose the device to moisture, sand, dust, or liquids.

Do not place the device in an oven, microwave, dishwasher, or dryer.

RECYCLING

Do not dispose of the device in household waste.

Recycle the device, packaging, and accessories according to local regulations.

COMPLIANCE AND SECURITY

Fabli complies with FCC (USA), IC (Canada), CE (EU), ASTM F963-23, EN-71-1, EN71-2, SOR/2011-17, and RoHS standards. This product meets the requirements of directives EN 55014-1:2021 and EN 55014-2:2021 for radio equipment.
