

JB Jule's Bag

CHANGING BAG FOR MAN

DESCRIPTION

- **Clever**, with an easy and quick transformation, the back of the bag turns into a real nomadic, comfortable, waterproof and washable changing table. The changing mat is the most comfortable of the market, with a thickness of more than 1,57 inch.
- **Convenient**, with 4 large storage spaces: 1 parent space, 1 care space, 1 meal and clothes space and 1 multimedia space. Everything is at your fingertips, well organized and easy to find. A multitude of predefined pockets to never forget anything on walks.
- **Ultra-connected**, the Jule's Bag attracts thanks to its independent and watertight multimedia pocket, in which one computers and tablet are safe. It can also be used for child health record booklet or children's books.
- **Attractive**, its clever and elegant design will complete Daddy's look and will permit you to easily give it a second life.

FEATURES

The Jule's Bag has a smart pocket "Easy wipe picking". It permits to distribute baby-wipe, without opening the bag or the wipe packet.

The Jule's Bag has an **isothermal pouch** with quick access, for baby's bottle or water to 1,5L.

Under the bag, there is a **removable garbage pocket**, especially for dirty diapers and wipes.

Its size is ideal, and it can be worn as **4 different ways**: backpack, saddlebag, vertical satchel or by hand. The bag strap fits all strollers.
