

TIPS

A. Watch instruction videos on our website before use

B. Practice the first couple of times with someone

C. Practice when babies are relaxed and not hungry

D. Practice with dolls and in front of a mirror

E. Put a 'roll' in the neck if the head needs extra support

F. Make sure the two shoulder straps have the same length

G. Make sure the babies are close enough to kiss

H. The strap with the yellow end tightens the pouch with the yellow strap (and the black, the black)

I. Spread the shoulder straps over your shoulder when carrying 1 baby

J. If your baby can sit on his/her own, their arms can be outside the carrier

7.Remove the babies
